

OUT OF HOURS SERVICE FOR MEASHAM PATIENTS

The Primary Care Trust now have a contract with the Swadlincote NHS Walk-In Centre for out of hours consultations. This means that when we are closed and you need advice, assistance or treatment, you don't need to travel to Loughborough, Leicester or Queens Hospital Accident and Emergency department if you would rather be seen more locally.

You can just walk into the centre or you can ring our number 01530 270667 which transfers you directly to the PCT Out of Hours Service. As this is a new arrangement, if you contact the Out of Hours you can request to be seen at Swadlincote, you do not need to travel to Loughborough or Leicester. If Swadlincote is not offered, as this is a new arrangement and not all call handlers are familiar with our area, then do not hesitate to ask to go to Swadlincote if that is where you would prefer to be seen.
